

Name: BOLLABOINA NARESH

Assistant Professor

Qualification : M.Tech

Experience (write a brief paragraph): 1 year 06 months

- Working as an Asst Professor from 2nd Jan 2017 to till now in (1 Year 6 months) Vaagdevi College of Engineering.

Area of Interest: Structural Engineering

Subjects Taught: Estimation & Costing (VCE), Structural Analysis-1 (VCE), Structural Analysis-2 (VCE), Surveying Lab- 2 (VCE).

Research Publications:(IEEE reference format)

- Dr. Sunil Pratap Reddy, and **B.Naresh**, (2016), A study on effects of steel fibres on over reinforced high strength concrete beam, International Journal of Advanced Technology Innovative Research (IJATIR), ISSN 2348-2370, Vol.08, Issue.14,oct-2016, Pages 2713-2719.
- Dr. Sunil Pratap Reddy, B.Naresh, and **Mohammed Umeruddin** (2017), An Experimental Behavior of Multi Storeyed building with floating column for Seismic loads, Journal of Emerging Technologies and Innovative Research (JETIR), ISSN 2349-5162, Vol.04, Issue.11, Nov-2017.

Workshops/Seminars/FDP's Attended:

1. Actively Participated "Two Day Workshop on Pavement Design, Construction Management System" on Dec 15th and 16th 2017
2. A Five Day FDP Programme on Auto Desk Revit.

Conferences Attended:(preferably International)

- A study on effects of steel fibres on over reinforced high strength concrete beam
