Dear Learner,

As we are into the 2nd month of 2020 already and we all know how special the month of Feb is for all of us. So, do celebrate the month of love by showing your love for all things tech. learning and do not forget to register for #HackWithInfy 2020, if you haven't done that yet!

#HackWithInfy is our flagship India-wide hackathon to not just provide a perfect stepping stone for students to explore their passion for coding and programming, but also an opportunity to compete and earn a chance to work with Infosys.

Registrations for #HackWithInfy 2020 are open to all B.E./B.Tech/M.E./M.Tech students graduating in the year 2021.

Steps for Registration:
- You need to first login/signup on InfyTQ, our learning and engagement platform.
- Click on the #HackWithInfy program banner at the top of your InfyTQ homepage to access HackWithInfy registration page.
- The last date for registration through InfyTQ is Saturday, February 15, 2020.

You can visit the #HackWithInfy website for more details.

What are you waiting for? Let's do it!

Note: Please read the Terms and Conditions and the Privacy Notice for #HackWithInfy 2020 before you submit your nomination for the registrations. Infosys will consider nomination of a student for registration as an acceptance of these terms and conditions.

Best regards,

Team HackWithInfy
