CIRCULAR

One Day workshop on ARDUINO for Teachers

All the faculty are requested to note that Vaagdevi College of Engineering (Remote Centre I.D:1522) is organizing a one day workshop on Arduino in collaboration with IIT Bombay through A-view interface under the aegis of Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT), funded by the Ministry of Human Resource Development, Government of India. This is the second workshop through this mode conducted exclusively for Teachers in our campus and around.

Arduino is a free/libre and open source hardware. Arduino consists of both a physical programmable circuit board and a software IDE (Integrated Development Environment) that runs on the computer.

Candidate Prerequisites: Basic confidence on Electronics and interface.
Course Outcomes: Individual Research, Projects for students, Application development etc.
Last Date: 13 December 2019. Apply online Link: https://www.iitb.ac.in/nmeict/
Event Date: Saturday, 08 February 2020.

Venue: Remote Centre I.D:1522

NOTE: The participants of the main workshop have to pay Rs. 1,100/- to IIT Bombay to cover the cost of the Arduino kit at the time of registration. A kit comprising the following will be given to every participant, which they can take home after the workshop: Arduino Uno compatible board, 10+ resistors, breadboard, tricolour LED, red LED, 7 segment displays (2), 16x2 LCD display, decoder IC, potentiometer, L293D H-Bridge IC, toy motor, push button switches (2), buzzer, DHT11 temperature humidity sensor, ESP8266 wifi module, and all required cables, jumper wires, and a container box.

Hence I request you to give wide publicity to the event in your vicinity on campus and outside so that most of faculty takes advantage of program.

For further details contact course coordinator:
Mr. T. Venugopal, Assoc.Prof., EEED, @9550968169
We look forward to your enthusiastic participation in this initiative.

Regards,

Mr. P. Sadananda
Assoc.Prof., EEED-VCEW
