

Name:

YADAGIRI UMASHANKAR

Qualification : M.Tech Thermal Engineering

Experience (write a brief paragraph):

Working in this Institute since August 2015 (2 Years 10 Months)

Area of Interest: Thermal Engineering

Subjects Taught:

1. Thermo Dynamics
2. Thermal Engineering - I
3. Thermal Engineering - II
4. Refrigeration & Air Conditioning
5. Power Plant Engineering

Research Publications:(IEEE reference format):

Published a International Journal on Heat Transfer in a Horizontal Tube by means of Varying Width of Twisted Tape Inserts in IJMTER

Workshops/Seminars/FDP's Organized:

A Two Day Workshop on Non-Destructive Techniques at Vaagdevi College of Engineering

Workshops/Seminars/FDP's Attended:

A one Week FDP on Challenges & Advances in Renewable Energy Sources on November 6th - 11th

At KITS Huzurabad
