ni-msme - the premier institute

ni-msme, the pioneer institute in the field of MSME is playing a major role in providing pro-business environment to foster the progress of MSME towards success and prosperity. The raison detre of this Institute is to assist the Government in formulating policies for Micro, Small and Medium Enterprises and to help the practicing, potential entrepreneurs and Government officials through a host of services like training, research, consultancy, information, education and extension. Set up in 1962, ni-msme has made valuable contributions by creating an impressive record of achievements beyond the Indian shores, enabling different developing countries to get the benefit of the Institute's expertise.

Located in a sprawling and enthralling campus amidst a rich natural setting, ni-msme is well equipped with both physical and academic infrastructure. In keeping with the changing times and technological changes, the Institute has updated its style of functioning by focusing on the use of IT in every aspect of its activities, but at the same time retaining the wisdom and advantages of deeply ingrained traditional practices.

The core activities are being implemented through four Schools of Excellence, viz., School of Enterprise Development (SED), School of Enterprise Management(SEM), School of Entrepreneurship & Extension (SEE) and School of Enterprise Information & Communication (SEIC) as well as theme focused Centres like National Resource Centre for Cluster Development (NRCD), Intellectual Property Facilitation Centre (IPFC), Resource Centre for Traditional Paintings (RCTP) and Goods & Services Tax Centre (GSTC).

The Institute stores and supplies information that helps make a successful entrepreneur who is well versed in the intricacies of business and can participate in business activities intelligently and diligently through its Small Enterprises National Documentation Centre (SENDOC) and knowledge portal www.msmeinfo.in. Livelihood Business Incubator (LBI) established in 2016 under the Scheme of ASPIRE of Ministry of MSME for creating a favorable ecosystem for entrepreneurial development in the country.

The Institute has trained 4,62,393 participants by organizing 14,034 programmes which includes prospective/existing entrepreneurs and officials from various Ministries of Govt. of India and State Governments till 2015-16. The Institute is implementing ITEC Scheme of Ministry of External Affairs, Govt. of India since 1967and trained 9,450 International Executives from 142 developing countries. The Institute has also undertaken 909 research and consultancy projects.The management of the Institute rests with the Governing Council appointed by the Government of India. The Governing body provides the necessary directions to the Executive Committee, accordingly the resident Director General implements the activities.

About Vaagdevi college of Engineering

VISION

Striving Continuously for Global Recognition through Academic Excellence in Higher Education, Research and Entrepreneurship for the betterment of society.

MISSION

Create a Healthy Educational Ambience for Students and Staff to the Development of the Region in Particular and Nation in General.

Adapt an Innovative Approach and Environment to the Learning Process for Spreading Technological Awareness, Development by nurturing Talent.

QUALITY POLICY

To ensure high standards to educate, enrich and excel, in imparting professional education, by top-quality-faculty, who endeavour to mould the students into Socially Responsible Professionals through creative team-work, innovation and research.

About workshop

The Vaagdevi college of Engineering , Bollikunta, Warangal,. has sought for a National level Entrepreneurship Awareness program for the students and also staff development program for faculty in entrepreneurship development. This is out of the natural curiosity as the top priorities of the Vaagdevi management in its usual agenda is to cultivate an Entrepreneurship Awareness for students in campus and in the region. The institutional EDC cell lead by Coordinator Mr.T.Venugopal, Assoc. Professor, EEE Department who had a 12 years of experience in conducting various Entrepreneurship Awareness camps for students in campus and around the region he being very curious was a participant in many such programs while graduating hence taken the complete task from the date of assignment to the execution and report making with constant enthusiasm.

However the Department of science and Technnology and the national Entrepreneurship development board, Government Of India has directed programmes sponsored by niMSME and its connected organisations for a 30 days Entrepreneurship development program during 11thseptember to 8th october 2017 and a two week faculty development program during 11th to 23rd September 2017. The inauguration for both the programmes were on the same day on the same dias and the valedictory were as per their tenure however the events were conducted very grand with special interest from the management. Large number of Faculty registered for the FDP from in and around the region the niMSME has sponsored books, bags, stationary and all the required logistics food, Field Trip transportation etc .The number of candidates in the FDP were 84 and for the EDP were 89 and the students were particularly PG with diversified domains MTechs,MBAs,MPharmacys etc and the response of the audience was great in terms of their interest in entrepreneurship.

ni-msme - the premier institute

ni-msme, the pioneer institute in the field of MSME, is playing a major role in providing pro-business environment to foster the progress of MSME towards success and prosperity. The main theme of this Institute is to assist the Government in formulating policies for Micro, Small and Medium Enterprises and to help the practicing, potential entrepreneurs and Government officials through a host of services like training, research, consultancy, information, education and extension. Set up in 1962, ni-msme has made valuable contributions by creating an impressive record of achievements beyond the Indian shores, enabling different developing countries to get the benefit of the Institute's expertise.

Located in a sprawling and enchanting campus amidst a rich natural setting, ni-msme is well equipped with both physical and academic infrastructure. In keeping with the changing times and technological changes, the Institute has updated its style of functioning by focusing on the use of IT in every aspect of its activities, but at the same time retaining the wisdom and advantages of deeply ingrained traditional practices. The core activities are being implemented through four Schools of Excellence, viz. School of Enterprise Development (SED), School of Enterprise Management (SEM), School of Entrepreneurship & Extension (SEE) and School of Enterprise Information & Communication (SEIC) as well as theme focused Centres like National Resource Centre for Cluster Development (NRCCLD), Intellectual Property Facilitation Centre (IPFC), Resource Centre for Traditional Paintings (RCSTP) and Goods & Services Tax Centre (GSTC).

The Institute stores and supplies information that helps make a successful entrepreneur who is well versed in the intricacies of business and can participate in business activities intelligently and diligently through its Small Enterprises National Documentation Centre (SENDOC) and knowledge portal www.msmeinfo.in. Livelihood Business Incubator (LBI) established in 2016 under the Scheme of ASPIRE of Ministry of MSME for creating a favorable ecosystem for entrepreneurial development in the country.

The Institute has trained 4,62,593 participants by organizing 14,034 programmes which includes prospective/existing entrepreneurs and officials from various Ministries of Govt. of India and State Governments all 2015-16. The Institute is implementing ITEC Scheme of Ministry of External Affairs, Govt. of India since 1997 and trained 9,450 International Executives from 142 developing countries. The Institute has also undertaken 909 research and consultancy projects. The management of the institute rests with the Governing Council appointed by the Government of India. The governing body provides the necessary directives to the Executive Committee, accordingly the resident Director General implements the activities.

Welcome to ni-msme

ni-msme, since its inception in 1960 by the Government of India, has taken gigantic strides to become the premier institution for the promotion, development and modernization of the SME sector. An autonomous arm of the Ministry of Micro, Small and Medium Enterprises (MSMEs), the Institute strives to achieve its avowed objectives through a gamut of operations ranging from training, consultancy, research and education, to extension and information services.

A Centre of Excellence

It was in 1954 that the UNIDO had recognized SIET as an institute of meritorious performance under its Centers of Excellence Scheme to extend aid. Subsequently, it was also accorded national status and SIET Institute became msme in the same year. To cope with the precept of globalization, the Government of India has enacted Micro, Small, Medium Enterprises Development (MSMED) Bill in the Parliament which was commenced on 2nd October 2006. Accordingly, the institute also has emerged as an apex organisation by changing its structure as well as name as ni-msme from 11th April 2007.
