

## ABOUT THE COLLEGE

VAAGDEVI is a 22 year old young institute marching forward to become world renowned institute/university **focussing on creating graduates** who are responsible, solving problems of society locally and globally.

## ABOUT THE COURSE

In this course, participants learn how to use AutoCAD 2D Commands to draw 2D drawings such as doors, windows, AC Ducts, Architectural and mechanical Drawings, etc. By the end of the course, they should be able to draw large scale 2D drawings, add dimensions, add annotations, hatch areas, insert symbols, create layouts, and plot them to proper scale.
