Vaagdevi College of Engineering

About the College

Vaagdevi College of Engineering (VCE) (Autonomous) Campus is situated at Bollikunta, Warangal Urban District in Telangana state. It was established in 1998 and it has permanent affiliation with Jawaharlal Nehru Technological University, Hyderabad. Apart from Civil Engineering (180), Computer Science and Engineering (240), the Institute has expanded with four diverse departments in engineering including Electrical and Electronics Engineering (240), Mechanical Engineering (180). It also offers nine post graduation (M. Tech) courses under above mentioned departments and a Master of Business Administration (MBA) course.

About Department

The Department of Civil Engineering was started in the year 2014 and is currently offering B.Tech. programme in Civil Engineering and M.Tech. programme in Structural Engineering. The department also takes up research projects and consultancy services in selected domains. All the laboratories in the department are well furnished with state-of-the-art equipments and software. The department has well qualified, highly experienced and dedicated team of faculty members from various specializations in Civil Engineering.
