

03 October 2013

To
The Principal
Vaagdevi College of Engineering
Bollikunta, Mamoonoor Camp, C-37, M-24, Singaram, AP 506005.

Dear Sir,

Greetings! We are happy to announce the launch of e-Learning solutions for teachers and students (eLSDM)-Engineering e-learning courseware covering critical Engineering concepts as per JNTUH syllabus of the B. Tech program which can be deployed on LAN and accessible online through the portal www.jntuh-elsdm.in. eLSDM is a collaborative effort of JNTUH and Globarena Technologies.

To enable the students to access the content, we have generated the username and password for all the students from 2nd year to 4th year and is available on the portal www.jntuh-elsdm.in. The username and password for the 1st year students would be generated and will be uploaded on to the portal, once the admission process is complete. To access the portal, administrator username and password for your college is attached along with this letter as **Annexure I**. The elearning content can be accessed from the portal by the teachers and students from 7th of October, 2013.

We would also be deploying the content from 1st year to 4th year in the college lab from 7th of October 2013. Please find attached the specification sheet of the Server Hardware as per **Annexure II**. The date of deploying the content in the lab can be intimated to us on the telephone number **040-32565656** between **10 AM to 5 PM**, once the server is ready in your lab. Upon your confirmation, our Technical team will complete the installation.

Our Customer Relationship Executive is delivering this letter personally to you along with the following details.

Annexure I – Administrator Username and Password.

Annexure II – Specifications of the server to be available in the college lab to enable Globarena to install the eLSDM courseware in college LAN.

Please acknowledge the receipt of this letter in the acknowledgement sheet.

In case of any queries, please get in touch with us.

Thanks & Regards
