### **About the College**

Vasgdevi College of Engineering (VCE) (Autonomous) Campus is situated at Bollikunta, Warangal Urban District in Telangana state. It was established in 1998 and it has permanent affiliation with JawaharlalNehru Technological University, Hyderabad. Apart from Civil Engineering (180), Computer Science and Engineering (240), the institute has expanded with four diverse departments in engineering including Electrical and Electronics Engineering (240), Mechanical Engineering (180). It also offers nine post graduation (M. Tech) courses under above mentioned departments and a Master of Business Administration (MBA) course.

### **About Department**

The Department of Civil Engineering was started in the year 2014 and is currently offering B.Tech. programme in Civil Engineering and M.Tech. programme in Structural Engineering. The department also takes up research projects and consultancy services in selected domains. All the laboratories in the department are well furnished with state-of-the-art equipments and software. The department has well qualified, highly experienced and dedicated team of faculty members from various specializations in Civil Engineering.

### **Course Objective**

On successful completion of the course, participants should be able to:

- The main objective of this value added programme is to teach both theoretical concepts and to give practical hands on total station.
