## SCOUTING PEDESTRIANS

Students of Civil Engineering of Vaagdevi College of Engineering helped the pedestrians in crossing roads organized by Kazipet Railways on 8<sup>th</sup> January, 2016 under the scheme of SCOUTS and Guides. Around 52 students participated in the programme. As the traffic on city roads is so heavy that aged people can't cross the road. Mostly near traffic signals and junctions is difficult to cross for village people and old people. In such areas students have scouted pedestrians to cross the roads.

**A Report Of Health Awareness programme**

The staff of Vaagdevi college of engineering, Department of Business Management took the initiative of introducing rural India to health awareness programme conducted on 23<sup>rd</sup> March, 2016 With 50 students the objective to, fulfill the gaps in implementation of various policies and programs failed to meet the goals of a healthy rural India.

Dr. V. V. Krishna Kumari a well known Gynaecologist has attended the programme and informed the students about how one should be healthy and its significance. Especially she pointed out some important things to girl students at their menstrual times, where many people have lack of information. Her speech was completely informationable.

It aims to educate rural India and make them aware of how to take proper care of their health. This programme is focused towards addressing issues of personal health care, vaccination, hygiene, and illness prevention. people are encouraged to incorporate healthy habits and take various preventive measures. In addition, people are also spurred to boost up their daily nutrition intake.

They are also given information on how to integrate and maintain hygiene in their lifestyle. Apart from that, special attention is given to women's reproductive health. Women health care camps also foster women to seek medical aid for their reproductive health and well-being. Counselling couples, educating adolescent girls and other informative activities must also be undertaken.
