

VAAGDEVI COLLEGE OF ENGINEERING

Affiliated to JNTUHyderabad
DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Entrepreneurship Awareness Camp organized by Entrepreneurship Development Cell of JNTUH

Electrical & Electronics Engineering Department has organized a two Day Workshop on “**Entrepreneurship Awareness Camp organized by Entrepreneurship Development Cell of JNTUH**” dated 25-02-2014 to 26-02-2014 by Mr. T Venugopal for the faculty members of the College and other AICTE approved Colleges. Shri Meher Vijay has given lecture on Entrepreneurial Motivation qualities / risk taking ability. No of Faculty Participants: 25

The programme is started with welcome note by the Principal Dr. K. Prakash followed by the lecture session.

Prepared by: Mr.T.VenuGopal

Assoc.Prof.,EEED

Coord-EDC,VCEW.

About the Workshop

This report presents the details of an *Entrepreneurship Workshop, “Entrepreneurship Awareness Camp” Organized by Entrepreneurship Development cell Of Jawaharlal Nehru Technological University ,Hyderabad* in association with *Entrepreneurship Development cell of Vaagdevi College Of Engineering, Warangal* which took place on Tuesday, February 25th & 26th, 2014, as part of the development activities under VESA .

A number of national level speakers addressed the Workshop under the themes of Entrepreneurship policy in Engineering education and research.

A total of 350 students from other regional colleges participated and got benefited in the Workshop which was held in Auditorium of A-Block, *Vaagdevi College Of Engineering, Warangal*.

The event was organised by Mr.T.Venugopal Coordinator, EDC-VCEW and Student associates of VESA, and was semi-sponsored by management *Vaagdevi College Of Engineering, Warangal*.

The focus of the Workshop was on redefining the role of students of professional Institutions in the Irish national system of innovation and in defining and implementing policies that more fully take account of the needs of small businesses. Additionally, the workshop sought to indicate the potential to raise the nature and quality of entrepreneurship within a new policy and action framework for *‘innovative entrepreneurship.’*

OBJECTIVES OF EDC:

To act as an institutional mechanism for providing various services including information to budding student entrepreneurs.

To create Entrepreneurial culture in the Parent Institution and other institutions in the region and to promote the objectives of National Science and Technology Entrepreneurship Development Board, including programmes related to women and weaker sections of the society

To foster better linkages between the Parent Institution, Industries and R&D institutions in the region and other related organizations engaged in promoting Small & Medium Enterprises (SMEs) including NGOs and other Voluntary Organizations.

To catalyze and promote development of S&T based Enterprises and promote employment Opportunities

Functions of EDC

Entrepreneurship Awareness Camps, Entrepreneurship Development Programmes and Faculty Development Programmes in the region for the benefit of S&T persons.

To develop and introduce curriculum on Entrepreneurship Development at various levels including degree/diploma courses of the parent institution and other institutes in the region.

To guide and assist prospective entrepreneurs on various aspects such as preparing project reports, obtaining project approvals, loans and facilities from agencies of support systems and information on various technologies

Aim of the Awareness Camp

For sharing experiences on implementation of programmes of self-employment and entrepreneurship

- On current topics such as WTO and its impact on SME sector, promoting first generation entrepreneurs through localized EDCs, promoting women entrepreneurship etc
- On creating awareness about the prospects of developing entrepreneurship in certain line of activity such as on Handmade Paper Industry, Food Processing Industry etc

Besides, the institute identifies

- Entrepreneurs Meet to understand and appreciate their problems in launching projects and managing them successfully
- Interactive Meet on Entrepreneurship Education to discuss about the need and importance of entrepreneurship element in academic curriculum

EDC-VCEW

With an aim to undertake training, research and consultancy activities in small and micro enterprises focusing on entrepreneurship development, *Entrepreneurship Development cell of Vaagdevi College Of Engineering* Warangal, was established in 2010

**The Institute hosts need-based seminars & workshops on regular basis at regional and national level*

VISION

To be a leading provider of quality professional development programmes, research and information service for engineering graduates in the field of entrepreneurship promotion/motivation and development and management of micro small and medium enterprises so as to overcome the nation's unemployment crisis.

MISSION

To create a conducive environment for entrepreneurial activities through organising different type of training programmes, research and other activities aimed at capacity building and enterprise creation with focus on engineering graduates.
