ABOUT VAGDEVI GROUP OF COLLEGES

Vagdevi Education Society was established in 2003 with a philanthropic objective of providing educational services in Telangana region. The society has established many colleges in the name of Goddess 'Vagdevi' in different fields covering Engineering, Pharmacy, Management, Education, Medical and conventional Degree & D. U. Courses. These Institutions with academicians having more experience imparting education in different areas and today the Vagdevi Group has a reputation for Academic performance, sports and extracurricular activities. As of today Vagdevi Group of Colleges have a strength of more than 25,000 students. The society has completed 25 years in imparting education and one of the largest Group of Colleges in Warangal after Hyderabad in Telangana State.

ABOUT THE DEPARTMENT

The Department of Business Management was established in 2007 in Vagdevi College of Engineering, Bollikunta, offering two years full time programme in Business Administration with the annual intake of 60 students. Presently MBA course is being offered Autonomous status CBCS pattern and present intake is 180 students. Well qualified and experienced Faculty Members, Staff, Students and Management has led the department on to the path of academic excellence with a number of achievements during the last few years. It has been continuously contributing to the generations and spreading of knowledge in the area of business and management to different target groups. Students are being well placed in different reputed organizations. The department has an updated computer lab, library and class rooms for the students to make lectures interactive and interesting.

ABOUT THE PROGRAMME

Teaching through case studies is an emerging practice preferred by many business schools. It not only provides a better representation of the organizational structure but also helps in a better connectivity with the students in the class. In this context, some of the faculty members are required to hone their skills in the area of case study teaching in the class.

PROGRAMME OBJECTIVES

1. To cater to the above objective, the present workshop is designed for junior faculty members.
2. In fine-tuning their approach to case study method of teaching.
3. To understand the art & craft of engaging students into active and participative classroom discussions.
4. To ease through the case method pedagogy of teaching.

For Whom:

This workshop is intended for faculty members and corporate trainers who like to use case method of teaching as one of their pedagogy.

TAKEAWAY FROM THE WORKSHOP:

Learning contract identification and modification in different classroom scenario

Questioning, listening and responding to participants in the class

The guiding principles of Instructor-pupil relationship

Designing of a discussion plan closer to simulated organizational set up

A hands on practising session in the art of case teaching
