Department of Business Management

VAGDEVI COLLEGE OF ENGINEERING

Bollikunta, Warangal - 506 005 (TS)

Viswambhara Educational Society was established in 1993 with a Philanthropic objective in providing Educational services in Telangana region. The Society has established many colleges in the name of Goddess "Vaagdevi" in different fields covering Engineering, Pharmacy, Management, Education, Medical and conventional Degree & P.G. Courses. These Institutions with academicians having more experience imparting education in different areas and Today the Vaagdevi Group has a reputation for Academic performance, sports and extracurricular activities. As of today, Vaagdevi Group of Colleges have a strength of more than 25,000 students. The society has completed 25 years in imparting education and one of the largest Group of Colleges in Warangal after Hyderabad in Telangana State.

ABOUT THE DEPARTMENT:

The Department of Business Management was established in 2007 in Vaagdevi College of Engineering, Bollikunta, offering two years full time programme in Business Administration with the annual intake of 60 students. Presently MBA course is being offered Autonomous status CBCS pattern and present intake is 180 students. Well qualified and experienced Faculty Members, Staff, Students and Management has led the department on to the path of academic excellence with a number of achievements during the last few years. It has been continuously contributing to the generations and spreading of knowledge in the area of business and management to different target groups. Students are employed in different reputed organizations. The department has an updated computer lab, library and class rooms for the students to make

The course focuses on equipping the participants with skills required for designing and using right mix pedagogical tools in management courses. First the philosophical undercurrents of teaching and learning process are explained, followed by the curriculum design.

Then the teaching tools used in management namely Lectures, Audio Visual method, case method, action learning, role plays and simulation introduced and explained. The effective use of the pedagogic tools will be demonstrated

OBJECTIVES OF THE PROGRAMME

Explain the theories behind learning process and designing the curriculum, according to the requirements of the given course as well as the nature of learners

Introduce and demonstrate the effective pedagogical tools in management education

Provide a discussion based demonstration of executing an effective teaching strategy in management education

LEARNING OUTCOMES OR CONTENTS

1. Knowledge of philosophical undercurrents of teaching and learning process
2. Thorough understanding and using various pedagogical tools of management
3. Knowledge and Skill to choose the right mix of pedagogical tools to teach a management course
