## ABOUT THE DEPARTMENT:

The Department of Business Management was established in 2007 in Vaagdevi College of Engineering, Baleshara offering two years full time programme in Business Administration with the enrolment of 60 students. Presently MBA course is being offered Autonomous status. UG's pattern and present intake is 180 students. Well qualified and experienced Faculty Members, Staff Students and Management has led the department on to the path of academic excellence with a number of achievements during the last few years. It has been continuously contributing to the generation and spreading of knowledge in the area of business and management to different target groups. Students are being well placed in different reputed organizations. The department has an updated computer lab, library and glass rooms for the students to make lectures interactive and interesting.

## ABOUT THE PROGRAMME:

One of the most important jobs of an accountant is developing reports for the management and external users. This is where modern accounting technology really shines. Computers can do analysis in seconds that once took highly skilled accountants weeks of research and searching. Reports of the kind can be produced with the push of a button and a quick snapshot of key transactions and cash flow are revealed. All kinds of reports are needed to guide the company's success. All of these reports give a picture of what the company is doing and where it is headed. They can help to decide if the company is financially stable and if there are any adjustments to be made in the strategies for operation. These reports are good for the investors also. They are able to see if a company is worth investing in.
