## FEEDBACK ANALYSIS OF STAKEHOLDERS AND ACTION TAKEN REPORT
## (2017-2018)

### INTRODUCTION

We have collected the feedback on curriculum from all the stakeholders for the academic year 2017-2018. The analysis of feedback obtained and suggestions given by the stakeholders are given below

Table 1: Students feedback and action taken report

. The table 1 gives a detail report of the issue as received by the students and the action taken for those issues by the institution during 2017 – 2018.

| S.NO | FEEDBACK | ACTION TAKEN |
|---|---|---|
| 1 | Students requested to include more digital classes. | Department provided NPTEL Video lectures and CISC. |
| 2 | Revision classes were requested by the Students. | Department faculties were arranged revision classes for lagging students . |
| 3 | Students demanded to include placements relevant studies. | Department established incubation centre to develop placement relevant study on the following topics a) programming skills b) Projects c) software Applications. |
| 4 | Support requested by students to develop their communication skills. | In order to improve students communication ability Soft skill were introduced to more application oriented format. |

Table 2: Teachers feedback and action taken report

| S.NO | FEEDBACK | ACTION TAKEN |
|---|---|---|
| 1 | Faculty suggested Some of the Lab Equipment's are not working properly. | The concerned depart head will make sure that all the laboratory equipment's are in working conditions. |
| 2 | Faculty requested provides health care facility within campus. | Management arranged based on the suggestion provided by faculty. |
| 3 | Faculty suggested improve in the internal mark process. | continuous assessment marks were allotted for assignments and presentations. |
| 4 | Faculty requested staff bus facility. | Management provided staff bus facility based on the suggestion provided by faculty. |

Table 3: Parents feedback and action taken report

| S.NO | FEEDBACK | ACTION TAKEN |
|---|---|---|
| 1 | Parents requested to include more digital classes. | Department provided NPTEL Video lectures and CISC. |
| 2 | Different methods of teaching were demanded by the parents. | different teaching methods Brain storming method and role play method were introduced by faculty. |
| 3 | Parents suggested that the students must be involved in the industry based projects. Parents suggested need of industry interaction for students. | Encourage students to do field projects or internships. Students are encouraged to take industry based projects to get industry exposures. |
| 4 | Parents demanded to include placements relevant studies. | Department established incubation centre to develop placement relevant study. |

Table 4: Alumni feedback and action taken report

| S.NO | FEEDBACK | ACTION TAKEN |
|------|----------|--------------|
| 1 | All the students should be motivated to do research projects and more projects must be performed as per the society's requirement | The students are advised to take projects which will help society. All the students doing project are advised for publication of research paper on their project topic. |
| 2 | Alumni suggested some modifications on the Program Educational Objectives (PEOs). | Based on the suggestions Program Educational Objectives (PEOs) were accordingly modified. |
| 3 | Alumni expressed their happiness on the infrastructure of the campus. | Alumni happiness related to infrastructure communicated to management. |
| 4 | Alumni demanded to include placements relevant studies | Department established incubation centre to develop placement relevant study. |
| 5 | Alumni suggested to keep the campus green and environmental friendlly | Management concentrated to plant more trees within the campus. |

**Reports of the action taken academic year 2017-2018:**

| Year | Stake holder | Structured Feedback Received | Actions Taken |
|---|---|---|---|
| 2017-2018 | Student | Special feedback session for the final year students is conducted Wherein Students provided suggestion various aspects of teaching – learning And curriculum design based on their experience over the past year. | Based on the student feedback to make the teaching more Practical based and interesting, necessary action has been taken by human resource to design and delivery a professional development programme. |
| | Employers | Quality of fundamental concepts of the students needs to be improved upon | NPTEL classes, Digi classes and skill development programme from reputed organizations. |
| | Alumni | Course structure and teaching methods were on line with the requirements of the job market. | Annual issue of Journal has been published. |
| | | More internship programs can be conducted for better industrial exposure | During the academic year students were asked to carry out internships during the summer and winter vacation time and more than 115 students carried their internships during the vacation period. |
| | Parents | Extracurricular activities | The Various co-curricular activities are provided like Seminars, Workshops, Sports, and Conferences and student festivals etc |
| | | Improvements required in communication skills | T & P classes, Group Discussions, CRT, Debate, and interactive sessions. |
| | Faculty | Internship must be encouraged | Sent students for internships during vacations |

## Action Taken Report for faculty feedback 2017-18

| Sr. No. | Survey Aspects | Actions taken |
|---|---|---|
| 1 | Faculty at VCE | The faculty standards are being improved year by year by recruiting doctorates from reputed institutes |
| 2 | Teaching / Research / Administrative Responsibilities | Active involvements of faculty will be appreciated for the other administrative responsibilities |
| 3 | Resources at VCE to engage with society and industry | Several workshops and awareness programs for socio and industry interactions |
| 4 | Teaching-Leaning environment | The required conducive environment will be created for better teaching and learning . |
| 5 | Curriculum adopted for B.Tech & M. Tech | New courses and respective labs with state of art will be introduced into curriculum to understand the concepts are very well with experimentations. |
| 6 | Balance between theory and Laboratory courses | Courses which demands practical understanding will be executed in parallel to achieve the balance between the theory and laboratory courses. |
| 7 | The adequacy of Elective Courses | Curriculum will be revised with more choices of elective courses that helps faculty updated with state of the art. |
| 8 | Text / Reference books availability in library | New text books and reference books will be added in the department library for easy access to the faculty. |
| 9 | e-resources to both faculty and students | Digital library access for the faculty and students are made available with the individual login. Access to various journals is also made in the future. |
| 10 | Aims and objectives of the course are well defined | The objectives of the course will be revised and given in pre requisite for the particular course. |
| 11 | Infrastructure facilities such as cabins, class rooms and toilets | The steps will be taken to address the problems raised by the faculty related to their cabins, classrooms and rest rooms. |
| 12 | Freedom to propose additional topics in the syllabus | The faculty suggestions will be respected in the formulation of syllabus to make it simple to the students |
| 13 | Freedom to adopt new techniques / strategies of testing and assessment of students progress | In addition to existing routine of tests, exams and assignments formats, any novel and assessing strategies will be enforced if it helps to improve overall performance of the students. |
| 14 | Collaboration with others when working on multidisciplinary teams | The conducive environment will be created within departments to improve the collaborative works. |

Head of the department

| 15 | The growth of interpersonal skills of students as an individual and while working in teams | The department association activities will be extended for the growth of interpersonal skills of students as an individual and while working in teams |
|---|---|---|
| 16 | The students' interest in attending workshops, seminars and internships to acquire the knowledge on modern engineering practice. | The students will be motivated and encouraged to participate workshops, seminars and internships to acquire the knowledge on modern engineering practice. |
| 17 | The students in integrating the engineering tools and techniques to solve real-world problems | Students will be encouraged to explore national level exhibition and project expo. |
| 18 | Analytical skills during their performance of processes and systems to meet the desired needs | Different co curricular activities to improve the subject knowledge will be conducted as a part of department association activities |
| 19 | The students able to estimate the impact of engineering solutions in a societal context | Different co curricular activities to improve the subject knowledge will be conducted as a part of department association activities |
| 20 | The overall performance of students | Different co curricular activities to improve the subject knowledge will be conducted as a part of department association activities |

**Head of the department**

### Actions Taken Report for parents feedback 2017-18

| Sr. No. | Survey Aspects | Actions taken |
|---|---|---|
| 1 | Teaching-Learning Environment | The required conducive environment will be created for better teaching and learning. |
| 2 | learning facilities provided by the institute | The students will be provided with necessary facilities which brings betterment in the studies and other activities. In addition to this, they also will be encouraged to attend workshops, seminars and internships to acquire the knowledge on modern engineering |
| 4 | Curricular / Extra Curricular activities at VCE | Different co curricular and extracurricular activities to improve the subject knowledge will be conducted as a part of department association activities |
| 5 | The Infrastructure Facilities | The infrastructure facilities will be increased to support curricular improvements in the departments among the student and faculty. |
| 6 | The treatment of students irrespective of their gender, background etc. in teaching | Faculty –student interaction sessions will be conducted once in a month to create a better environment between students and faculty |
| 7 | Curriculum in terms of relevance with latest technologies | New courses and respective labs with state of art will be introduced into curriculum to understand the concepts are very well with experimentations. |
| 8 | The attendance, assessment and evaluation system in our college | The attendance and continuous assessment process will be improved by frequent counseling to students and arrange parent meet to communicate the wards performance to them |
| 9. | Other facilities such as placement, hostel, transportation , canteen and medical facilities | The facilities such as such as placement, hostel, transportation , canteen and medical facilities will be widened and developed with utmost care of the students |
| 10 | Overall Rating of Vaagdevi College of Engineering | The institute will strive to excel in all sorts to stand front to provide better education to the student community |

**Head of the department**

## Exit survey Feedback and Action Taken Report 2017-18:

. The table gives a detail report of the issue as received by the Exit survey and the action taken for those issues by the institution during 2018 – 2019

| Sl. No. | FEEDBACK | ACTION TAKEN |
|---|---|---|
| 1 | How do you rate activities organized by VCE for your overall development? | By conducting various student activities and social activities. |
| 2 | How do you rate Canteen / Departmental Stores / Medical facilities at VCE | By providing mobile clinics and sub canteens. |
| 3 | Rate the adequacy of following as they were during your tenure as a student at VCE | |
| b) | Library | We will try to provide department library |
| d) | Internet & Wi-Fi | We will try to provide wi-fi and digital library in the campus |
| e) | Sports / NCC / NSS | By providing sports hours in their academic time table |
| f) | Faculty and their Support | By conducting various meetings with faculty and students |
| g) | Curriculum / Syllabus | By providing prerequisites to the courses. |
| h) | Cleanliness / Security / Environment / Ambience | By doing swachh bharat event. |
| 4 | How do you rate Curricular / Extra Curricular activities at VCE | By providing sports hours in their academic time table |
| 5 | How do you rate Examination Process, Evaluation and Assessment | Evaluation done by experience faculty. |
| 6 | Do you have obtained sufficient technical know-how (both in Theory and Practical) from the curriculum? | By introducing new chapters for technical skills. |
| 7 | What is the level of relevance of education imparted at Department? | by assessing more tests to the students. |
| 8 | Rate the following academic initiatives taken by the college / department to improve technical know-how of the students. | |
| a) | Seminars & Workshop | By conducting more no of seminars and workshops. |
| b) | Internships, Industry Oriented Projects & Industrial Visits | We are collaborating with CITD for industry interactions. |
| c) | Value Added Courses for bridging Industry Academic gap | We are going to include value added courses. |
| d) | Guest Lectures by Eminent Speakers from Industry / Academia | **We are conducting more no of lectures from NIT faculty.** |
| 9 | How do you rate the subjects and syllabi of the curriculum adopted? | We are introducing new chapters in the upcoming regulations. |

## FEEDBACK ANALYSIS OF STAKEHOLDERS AND ACTION TAKEN REPORT
## (2017 -2018)

### INTRODUCTION

We have collected the feedback on curriculum from all the stakeholders for the academic year 2017-2018. The analysis of feedback obtained and suggestions given by the stakeholders are given below.

### Table 1: Students feedback and action taken report (2017 -2018)

. The table 1 gives a detail report of the issue as received by the students and the action taken for those issues by the institution during 2017 – 2018

| S.NO | FEEDBACK | ACTION TAKEN |
|---|---|---|
| 1 | Students requested to improve the internet WIFI facilities | We discussed with management and HOD about internet facilities and WIFI facilities were improved |
| 2 | Student requested to arrange field visits | Field visits were planned and arranged like model village, IT park, TS Industrial park etc. |
| 3 | Student requested to give group assignments for their development | Various business assignments were given to the students for their career development. |

### Table 2: Alumni feedback summary (2017 -2018)

| S.NO | FEEDBACK | ACTION TAKEN |
|---|---|---|
| 1 | Students asked questions regarding basic amenities | We have basic facilities as per their convenience like sanitary pad ,cool water ,wending machine etc. |
| 2 | Students requested to introduce sports and games | Games and sports were conducted and Indoor games schedule were extended. |
| 3 | Students requested to provide water facility near playing ground | One tap connection was given nearer to the playing ground and First aid box also provided for immediate treatment. |

### Table 3: Teachers feedback and action taken report (2017 -2018)

| S.NO | FEEDBACK | ACTION TAKEN |
|------|----------|--------------|
| 1 | Faculty requested to give helping hand to pursue Ph.D | Many teachers are encouraged to register Ph.D under the guidance of senior faculty. |
| 2 | Faculty requested to conduct personal and professional development programmes | Management provided opportunities to enhance their teaching and research through support of sabbaticals, summer research course enhancement,, and real time visiting of industries to get corporate knowledge |
| 3 | Faculty requested to give assistance for their career development | Financial assistance, long leave were granted to faculty to pursue Higher studies. |
| 4 | Faculty requested for real time experience in teaching | Collaborative learning communities were formed by linking them more closely to the industry for a real time experience in teaching |

### Table 4: Parents feedback and action taken report (2017 -2018)

| S.NO | FEEDBACK | ACTION TAKEN |
|------|----------|--------------|
| 1 | Parent requested to improve the computing and communication facilities | Computing and communication facilities were improved. |
| 2 | Parent requested to rate the competence and commitment of faculty | Performance appraisal methods were conducted to rate the employee performance |
| 3 | Parent requested to conduct extracurricular activities for their children development | Indore and outdoor games were conducted. |

### Reports of the action taken academic year (2017 -2018)

| | Stakeholder | Structured feedback Received | Action Taken |
|---|---|---|---|
| Year (2017-18) | Student | Yes | Yes |
| | Employers | Yes | Yes |
| | Alumni | Yes | Yes |
| | Parents | Yes | Yes |
| | Faculty | Yes | Yes |

**Reports of the action taken academic year 2017-2018:**

| Year | stakeholder | Structured Feedback Received | Action Taken |
|------|-------------|------------------------------|--------------|
| | student | More classes need for problematic subjects | • According to STUDENT feedback the extra classes conducted on Saturdays and sundays |
| | Alumni | NEED placements in reputed companies | Call for more reputed companies initiated |
| | Parents | PLACEMENT ACTIVITIES | According to parent feedback the various COMPANIES INVITED to provide OFF campus. |
| | Faculty | Need more facilities for Research. | facility PROVIDED |

17-18

**Table 5: Employer feedback and action taken report analysis**

The recruiters who came for campus selections were satisfied with the efforts taken by the institute in nurturing the skills and qualities of the students and also suggested some feedback. The ACTION TAKEN report is mentioned below

| SNO | FEEDBACK | ACTION TAKEN |
|-----|----------|--------------|
| 1 | Communication skills need to be improved | Association Hours were added giving students opportunity to develop their communication skills. A strive for English speaking habit is tried to be cultivated. |
| 2 | Students are poor in aptitude and reasoning | Special Campus Recruitment Training has been organized |
| 3 | Students should develop their programming skills | Encouraging Students to participate in various programming related competitions and Hackathon |
