7. Any other item:
 - a. As per the suggestions of BOS in English, the title of the subject "i-English (Individualized English) Skills Lab" is to be renamed as "English Language and Interactive Communication Skills Lab (ELICS)" for B.Tech-ECE (R20). Accordingly the name is changed to "English Language and Interactive Communication Skills Lab (ELICS)", for which the Board has approved.
 - b. It is approved to follow the allocation of marks on evaluation for Internal & External examinations for PG theory subjects as per the previous regulations i.e., for Internal evaluation 40 marks and external evaluation 60 marks.
 - c. It is noted that the BoS of Chemistry has recommended to include Chemistry Laboratory for B.Tech courses. However, the Chemistry lab was not recommended in any of the previous B.Tech regulations and also in R-20 regulations by the Boards of studies of all engineering departments. After considering, it is therefore resolved not to offer the Chemistry Lab for all B.Tech courses under R-20 regulations.
 - d. The resolution dated 05.08.2019 which was approved by the College Academic Council by circulation - in respect of considering the theory subjects for the credits exemption for getting CGM and PCs in R15 regulations - is now put up to the CAC. And, the Council has approved the same as it is.
 - e. The Academic Calendars for the A.Y 2020-21 of B.Tech (I, II,III & IV-Years), M.Tech (I & II-Years) and MBA (I & II-Years) are approved.
