Transitory Regulations

I. For students detained due to shortage of attendance:

1. A Student who has been detained in I year of R09/R13/R14 Regulations due to lack of attendance, shall be permitted to join I year I Semester of R15 Regulations and he is required to complete the study of B.Tech programme within the stipulated period of eight academic years from the date of first admission in I Year.
2. A student who has been detained in any semester of II, III and IV years of R09/R13/R14 regulations for want of attendance, shall be permitted to join the corresponding semester of R15 regulations and is required to complete the study of B.Tech within the stipulated period of eight academic years from the date of first admission in I Year. The R15 Academic Regulations under which a student has been readmitted shall be applicable to that student from that semester.
See rule (III) for further Transitory Regulations.

II. For students detained due to shortage of credits:

3. A student of R09/R13/R14 Regulations who has been detained due to lack of credits, shall be promoted to the next semester of R15 Regulations only after acquiring the required credits as per the corresponding regulations of his/her first admission. The student is required to complete the study of B.Tech within the stipulated period of eight academic years from the year of first admission. The R15 Academic Regulations are applicable to a student from the year of readmission onwards.
See rule (III) for further Transitory Regulations.

III. For readmitted students in R15 Regulations:

4. A student who has failed in any subject under any regulation has to pass those subjects in the same regulations.
5. The maximum credits that a student acquires for the award of degree, shall be the sum of the total number of credits secured in all the regulations of his/her study including R15 Regulations. However, a student can drop two subjects of upto 8 credits for completion of award of the degree and the performance evaluation of the student will be done after the exemption of two subjects.
6. If a student readmitted to R15 Regulations, has any subject with 80% of syllabus common with his/her previous regulations, that particular subject in R15 Regulations will be substituted by another subject to be suggested by the respective BOS members.

Note: If a student readmitted to R15 Regulations, has not studied any subjects/topics in his/her earlier regulations of study which is prerequisite for further subjects in R15 Regulations, remedial classes will be conducted to cover those subjects/topics for the benefit of the students.
