TELANGANA ACADEMY FOR SKILLS AND KNOWLEDGE (TASK)

To Enhance employability skills among students we have registered with TASK, which provides English Proficiency, Soft Skills Training, Reasoning Skills and Basic IT skills. TASK has Technology Entrepreneurship Program in collaboration with ISB (Indian School of Business). We also provide Project Assistance through Industries, Career counselling & guidance to support in placement.

WOMEN PROTECTION CELL

Vaagdevi has substantial number of Girl students, Women staff and Faculty. Institute has established women cell to help empower women with the following - Guest lectures on women Empowerment / Women Issues; Doctors giving awareness programs on health and hygiene; Vending machines are made available for Napkins and Incinerator facility is established; provide incentives for all women faculty during maternity period; create happy and healthy environment for all women staff.

Life at **VAAGDEVI**

We **VAAGDEVI** incorporated a lot of activities in our college curriculum to make sure that the student are regularly engaged in cultural activities and let their creative juices out. Such extra-curricular activities also help student to find their hobbies and develop a passion which might open doors to career opportunities for them in the future.
